

INFECTION PREVENTION REFRESHER TRAINING FOR RESIDENTIAL AGED CARE FACILITY STAFF

Date: November 4th, 2020

Time: 8:30am – 12:30pm

Location: Cairns Hospital, Level 3 A block, Room 1

Training:

Including

- Refresher in Donning and Doffing
- Cleaning requirements for COVID-19
- The importance of the first 24 hours in a COVID-19 positive case

To register for the day:

Email CHHHS_Infection_Control@health.qld.gov.au

Parking: The Cairns Hospital Car Park, Block E, on the Corner of Grove and Digger streets, provides a crucial service to hospital staff and the public. The provision of some 667 undercover parking spaces provides a secure and comfortable environment and meets the large demand. The entry fee is a small investment for the security and ease of parking on site at the hospital. An all-weather sky bridge over Lake Street, on level 2, allows easy access to Block D and the hospital
