

Digital health update for healthcare practices

Breakfast provided

For practice managers and staff in general or specialist practices

Are you interested in an update about My Health Record or learning more about electronic ordering?

Practice managers and their teams are invited to join Northern Queensland Primary Health Network (NQPHN) for an educational breakfast and digital health update.

Discussion topics

- My Health Record – An update from the Australian Digital Health Agency (ADHA)
- Advantages of electronic orders for medical practice – Sullivan Nicolaides Pathology
- Electronic referrals through Queensland X-Ray – Queensland X-Ray
- What's happening at Mater Private Hospital Townsville? – An update from Mater Health

Guest speakers

- Nicola Graham – Australian Digital Health Agency
- Kevin Francis – Sullivan Nicolaides Pathology
- Robyn Wills – Queensland X-Ray
- Libbie Linley – Mater Private Hospital Townsville
