

Funded by

**After Drug & Alcohol First Aid, participants will be equipped to:**

- Recognise and respond to alcohol and other drug use,
- Offer harm minimisation and first aid to those experiencing intoxication, and
- Start conversations with others about alcohol and other drug use.

**Evaluation by the National Centre for Education and Training on Addiction (NCETA) confirmed DAFA participants significantly improved their:**

- Knowledge of the impacts of substance use, and
- Ability to respond to someone who uses alcohol and other drugs.

## Drug and Alcohol First Aid Workshop

**Wednesday 25 May, 2022**

**9am- 5pm**

**2/45 Victoria Street, Mackay**

**Northern Queensland Primary Health Network (Mackay Office)**

**Workshop is FREE.**

**This workshop has been made possible by funding from Northern Queensland Primary Health Network (NQPHN).**

Do you have regular contact with people who use alcohol and other drugs? This one-day workshop will give you the knowledge and skills to recognise and respond to people who use substances.

### Who should attend?

This workshop is suitable for people who are impacted by those who use alcohol and other drugs- as workers, volunteers, and community members.

### About the facilitators

Lives Lived Well clinicians continuously develop, refine, and deliver Drug & Alcohol First Aid (DAFA) content in Queensland, New South Wales, and Tasmania.

DAFA facilitators are all experienced mental health and alcohol & other drugs clinicians. Each facilitator brings a wealth of experience and expertise to each Drug & Alcohol First Aid workshop.

“ The facilitators were engaging and informative...easy to understand... rich, open discussion in a non-threatening environment... current, relevant knowledge. ”

- Workshop participants in Queensland, 2021
