

PRODA individual account

How to register for an individual account

To access available services, you will need to register an individual PRODA account.

You can only register 1 PRODA account in your name. You can't create an account for someone else. Don't share your secure login details with anyone.

Your individual PRODA account belongs to you. It doesn't expire. This means if you change your employer, you'll keep the same Individual PRODA account.

You'll need to verify your identity online to complete the registration process. Find out what [documents you need before you start](#) the registration process.
