It all started in 2019 with the Cate's Chemist Small Ball. Cate's mother had passed away from cancer, so we ran a small event to raise money for the Cancer Council. In 2021 it grew into the Cate's Chemist Winter Ball – blowing away our expectations for attendance and fundraising. With 220 attendees, we raised close to \$6,000 for the Cancer Council Australia.

This year we'll step it up and we want to raise more money for the Cancer Council.
Our Charity Ball is a stand-up canape, dancing, and entertainment style ball.

We've secured wonderful entertainment for the night, including Chris Ah Gee and Jazzella band from Brisbane, a dance group, acrobats, and more! There'll also be a silent auction with great items donated by local businesses – all proceeds to go direct to the Cancer Council.

Are you a local business?

Contact us for info about our Sponsorship Packages. It's a great opportunity to put your name out there and gain recognition and exposure for your organisation. Tickets to the Ball are included in some tiers.

This is a rare opportunity to glam up in Townsville and support a good cause.

Be sure to secure your tickets now. Limited quantity available.
