

palliWELLBEING

EDUCATION | FOR HEALTH PROFESSIONALS

Topic: Palliative Care for people experiencing homelessness

This PalliWELLBEING webinar brings together experts, Leanne Papas and Nicholas Marchesi, who will discuss their experiences and advice for working with people experiencing homelessness and serious illness, dying, death and grief. The webinar session includes a Q&A discussion.

The webinar is for those working or involved in the health sector. For example; nurses, doctors, social workers, allied health staff, AINs, spiritual care workers, health managers, health educators, pharmacists and paramedics. No training or experience required within palliative care to attend.
