**Please register by Friday
26 August.**

Join the RACGP for networking, drinks and nibbles

Come and join RACGP Rural and RACGP QLD for a member meet-up on Friday 2 September 2022 in Mackay. Connect with council members and faculty staff for drinks and nibbles while catching up with your colleagues face-to-face.

The RACGP is celebrating 30 years of the Rural Faculty in 2022. So we're coming together in locations across Australia to share our highlights and mark this significant milestone. Both faculties will also share a brief update.

This event is open to RACGP members, medical students and rural health stakeholders and we'd love to see you there. Attendees are welcome to bring a guest.

Please register online by Friday 26 August 2022 using the QR Code below or email rural@racgp.org.au, including attendee details and any dietary requirements.
