

Deafness and Mental Health Statewide Consultation and Liaison Service

Deliver online clinical workshops

‘Supporting Deaf individuals with complex needs in mental health’

The all-day advanced clinical workshop includes a case study and an assessment practice on Tuesday 4th October 2022.

	<p>Clinicians have an opportunity to join an online workshop, that aims to put skills and knowledge into practice when responding to the needs of Deaf individuals presenting with mental health issues.</p> <p>Free prerequisite courses: Deafness and Mental Health Introduction and Deafness and Mental Health Intermediate, via iLearn or https://gheps.health.qld.gov.au/ilearn</p>
--	---

All the training sessions:

- Are interactive on Microsoft Teams.
- Are based on adult learning principles
- Are facilitated by skilled experienced trainers
- Are grounded in the latest evidence and practice-based research
- Includes firsthand experiences by deaf consumers.

Dates and payment are available via Eventbrite. Cost \$99
