

Advances in the treatment of chronic back pain and other pain conditions

For general practitioners

What a pain!

Join Abbott Medical and QPain in collaboration with Northern Queensland Primary Health Network (NQPHN) for an evening of learning and discussion focusing on:

- holistic pain management
- opioid and cannabis
- options within a multi-disciplinary pain team
- stewardship and interventional pain management.

Presenter:

- QPain Specialist Pain Medicine Physician and Occupational Physician
Dr Ramsey Jabbour.

Learning outcomes:

- identify chronic pain patients
- describe other options for treatment and limitations of unimodal treatment options
- formulate a safe assessment and investigation pathway to facilitate the management of chronic pain patients.

This educational dinner is a CPD activity under the RACGP program.
