

MedicalDirector software: Your questions answered

For general practices

Northern Queensland Primary Health Network (NQPHN) and Train IT Medical invite general practice staff from across the NQPHN region to learn more about MedicalDirector software.

The free one-hour session, presented by one of Australia's most experienced practice management consultants and health technology trainers Train IT Medical Principal and Owner Katrina Otto, provides you the opportunity to ask and discuss MedicalDirector related questions and concerns with an industry professional.

This webinar will be recorded.
