

COMMUNITY HEALTH NAVIGATOR FORUM

MONDAY 24/10/2022 9AM - 2PM

Patient navigation is pivotal to helping patients connect with services they need in Australia's complex...health care system.

- Consumers Health Forum 2022

Join us in celebrating our partner organisations and their ongoing commitment to improving health equity by supporting access to their services and to ensuring the community has equitable access to high-quality, patient-centred care.

The Community Health Navigator Forum will showcase exciting initiatives happening locally and globally that highlight the importance of Community Health Navigators, including two international presentations on perspectives from New Zealand and the United States of America.
