

FNQ Heart Failure Workshop

Date
claimer

For healthcare professionals

Join the Cairns and Hinterland Heart Failure Service and Northern Queensland Primary Health Network for a free full day workshop of learning and discussion.

Topics:

- latest treatment updates in the management of heart failure
- titration of heart failure medications
- multidisciplinary health care services available for heart failure
- cardiac implantable electronic devices in heart failure.

Presenters:

- Electrophysiologist and Heart Failure Lead Dr Kevin Ng MBChB, MRCP (UK), FRACP, FHRS
- Cardiologist Dr Sean Nguyen BSc (Hons), MBBS, FRACP
- Cairns Hospital Multidisciplinary Heart Failure Team.

Please RSVP for by COB Friday 10 March 2023.

Learning outcomes:

1. Identify recent evidence-based changes to international consensus guidelines
2. Determine the appropriate management of heart failure symptoms and disease modification
3. Integrate lifestyle and psychosocial factors in a multidisciplinary approach
4. Identify cardiac conditioning and its importance in quality of life.

This activity is pending RACGP approval for 6 CPD hours.
