

NDIS for General Practitioners

Project ECHO network 2023

The NDIS can be complex. Join to gain practical advice about supporting young people with disability or developmental concerns to access and navigate the NDIS.

Lead by:

Bethany Hooke—Paediatric Disability Lead, CHQ, Facilitator

David Hodgson – A/g Assistant Director – Community Engagement,
National Operations, National Disability Insurance Agency, panel member

Dr. Sue Page-Mitchell – GP, National Disability Insurance Agency, panel member

Starting **24th May** from **12:30 – 1:30 pm AEST (QLD)** via **MS Teams**
Weekly sessions for 5 weeks

Sessions include a brief presentation and practical discussion around navigating the NDIS as a General Practitioner.

2023 Curriculum

1. Overview of the NDIS
2. What stipulates good evidence? (For access, planning, reassessment and review)
3. Early Childhood Approach
4. Psychosocial Disability
5. Finding supports outside the NDIS
