

rediCASE online training

For NQPHN commissioned service providers using rediCASE

Northern Queensland Primary Health Network (NQPHN) invites commissioned service providers using rediCASE for reporting, data collection, and data management to a free online training with software developer redbourne.

The training will support a shared understanding of rediCASE functionality and minimum data set recording and will benefit users responsible for entering data into rediCASE.

Service providers will also have the opportunity to share feedback on their experience with rediCASE and have their questions answered.

Presenter

- redbourne Training and Technical Support, Louis Dimech.

Registrations close 12pm, Monday 10 July 2023.
