

# NQPHN GP focus group dinner

A peer networking opportunity for GPs

Northern Queensland Primary Health Network (NQPHN) invites all general practitioners (GPs) working in northern Queensland to a formal dinner for the second round of 2023 GP focus groups.

This face-to-face-only event allows GPs to connect and network with their peers and peak organisations.

Brief presentations from:

- Doctors' Health in Queensland – Dr Jennifer Schafer
- Australian College of Rural and Remote Medicine (ACRRM)
- Royal Australian College of General Practitioners (RACGP)
- Northern Queensland Primary Health Network (NQPHN)

In-person GP focus groups in Cairns, Townsville, and Mackay will include a formal sit-down dinner, with a virtual session to be announced soon.
