Educational Dinner

Wednesday 21 February 2024
6.00pm – 9.00pm

Mercure Townsville 166 Woolcock Street, Currajong

Expand your fertility knowledge and spend an evening with two of our highly regarded Fertility Specialists to discuss **'Menopause, a new view'** and **'Navigating the fertility journey'**. Dinner will be provided in the Burdekin Room at the Townsville Mercure Hotel.

Dr Ron Chang

As Clinical Director of Queensland Fertility Group Townsville, Ron has more than 28 years' experience as a specialist Gynaecologist. He has worked in the area of IVF for more than 20 years, and is particularly interested in fertility preservation in cancer patients, genetics and advanced laparoscopic surgery.

Dr Vanessa Lusink

Dr. Vanessa Lusink is a dedicated fertility specialist and gynaecologist with a strong focus on all aspects of fertility management and advanced surgical techniques.

Vanessa's passion lies in minimally invasive surgery. She excels in managing intricate surgical conditions such as endometriosis, ovarian cysts, fibroids and uterine anomalies.
