Townsville Public Health Unit

2024 Immunisation Program Update

Are you a **Pharmacist, Nurse or Doctor** providing immunisations?

The Townsville Public Health Unit invites you to join our team as we provide an update on the 2024 Queensland Immunisation Program.

You can join Associate Professor Steven Donohue and the CDC team face to face or watch a live stream if unable to attend in person. A recording will be available following the event, accessible via the NQPHN website.

Session includes:

- 2024 Annual influenza program advice
- 2024 Queensland Free Flu vaccination program advice
- Recent immunisation program updates

Light refreshments will be provided
