

Delivered as part of the Essential Skills training for general practice staff series

Cyber Security, Social Media and Scams | Triple Threat?

Northern Queensland Primary Health Network (NQPHN), together with Avant invite general practice staff to join us for a 90-minute webinar.

Focus

Presented by Avant Senior Associate Tracy Pickett, learn about the essentials of cyber safety.

This session will cover:

- » Cyber Security – risks to consider.
- » Social media – threats and traps.
- » Scams and other data breaches.

Avant is a member-owned organisation that protects and supports GPs throughout their careers. Avant provide an extensive range of products and services in the areas of insurance, lending, health, legal and practice management.

Participants can ask questions at the end of the webinar, with a recording available after the workshop.
