

Senior Initial Assessment and Referral (IAR) Training Officer – Mental Health and Alcohol and Other Drugs (AOD)

Cairns, Townsville, or Mackay

About us

Northern Queensland Primary Health Network (NQPHN) is one of 31 regionalised and independent PHNs established nationally by the Commonwealth Department of Health to provide local communities with better access to improved primary healthcare services.

The NQPHN region extends from Moranbah in the south, up to the Torres Strait in the north, and west to Croydon and Kowanyama.

NQPHN aims to improve health outcomes for all residents by supporting, investing in, and working collaboratively with local Hospital and Health Services, the primary healthcare sector, local government areas (LGAs), other health organisations, and the wider community.

The role

NQPHN is seeking a Senior Initial Assessment and Referral (IAR) Training Officer to support general practitioners (GPs) and clinicians across the NQPHN region to learn about, use, and embed the Initial Assessment and Referral (IAR) tool in primary care settings.

As part of the 2021-22 Budget, the Australian Government announced funding of \$34.2 million to expand and implement the Initial Assessment and Referral (IAR) tool into primary care settings to assist GPs, allied health professionals, and other referrers to determine a consistent and appropriate level of care for a consumer needing mental health assistance, using a holistic decision support tool.

The role of the Senior IAR Training Officer is to:

- develop an in-depth understanding of the Initial Assessment and Referral (IAR) Guidance document, Implementation Toolkit, and the IAR Decision Support Tool (DST)
- in consultation with Clinical Councils and local GPs, develop a regional IAR implementation plan and identify potential obstacles to implementation, tailoring implementation strategies to the local context
- work closely with the provider/practice engagement team to coordinate IAR training for GPs – working towards established regional targets for GP completion of training
- coordinate and deliver IAR training to users of the IAR resources
- develop processes for the support of IAR users including support online, via telephone, videoconference, and/or in-person

NQPHN acknowledges the Aboriginal and Torres Strait Islander peoples as Australia's First Nation Peoples and the Traditional Custodians of this land. We respect their continued connection to land and sea, country, kin, and community. We also pay our respect to their Elders past, present, and emerging as the custodians of knowledge and lore.

- facilitate regional activities deemed important and valuable by local GPs relating to IAR (e.g., peer-led learning groups or communities of practice)
- develop record keeping processes to document, monitor, and report on training progress and completion
- develop processes for and coordinate regional reporting and evaluation of the implementation activity (including training data, participant satisfaction data, implementation outcomes)
- additionally, provide training and support to staff working in Head to Health Centres, Aboriginal Medical Services, commissioned service providers, and other staff in the NQPHN region
- build strong relationships with IARTOs across the PHN network, exploring opportunities for cross-boundary learning and collaboration
- work closely with the National IAR project team within the Department of Health, the National Project Manager, and other PHN TSOs to contribute to national implementation priorities and resources.

Key selection criteria

- A relevant tertiary qualification (nursing/allied health/education) and at least three years' experience in the delivery/facilitation of training/education programs.
- Demonstrated understanding of mental health issues including specific experience of working in the mental health field.
- Clear understanding teaching methodologies appropriate in an adult learning environment.
- Highly developed interpersonal, communication, influencing, partnering, negotiation, and conflict resolution skills, particularly in relation to community and stakeholder engagement within the health sector.
- Demonstrated understanding of project management and experience in project design and delivery.
- Demonstrated awareness of the importance, and how to deal with confidential and sensitive information.
- Demonstrated ability to prioritise and meet deadlines in a high demand work environment.

Other requirements

- Current Drivers Licence.
- Provide a National Police Check less than three months old.
- Be able to meet the requirements of a Working with Children (Blue Card) Qld (if required).

The benefits

NQPHN offers a great range of benefits to its employees, including:

- access to generous not for profit salary sacrifice taxation benefits
- annual leave loading
- Employment Assistance Program offered to all staff and family members.
